Beautiful Evergreen Hedge

Thuya Occidentalis.

Perfectly Hardy Anywhere in the United States.

The Hedge, and the sheared specimens in the above illustration, were made from our famous **Thuya Occidentalis**. This beautiful Evergreen is a leader with us, and we offer you a great bargain, as follows:

100 8 to 12 inch Plants, delivered, all charges prepaid by us, to any address in the U. S., for Only \$1.00.

Makes 100 Feet of Beautiful Evergreen Hedge.

There is no question but that the **Thuya Occidentalis** is the standard Hedge Tree of America. There is no other Evergreen that will thrive in so great a range of territory. They are hardy everywhere, except on the Gulf and California coast. There is no weather too cold for them. There is no other Evergreen that can be trimmed into such a variety of shapes and forms without in the least injuring its growth or vitality. Beautiful green, all the year.

We sell them at this special price only in lots of not less than 100. Order as many as you want. With every order we send an illustrated pamphlet of planting instructions, following which, failure is not possible. Order now. Shipping season will continue until June 1st. There is no discount from this special offer.

The Famous Hemlock Hedge

Tsuga Canadensis.

Abies Canadensis.

Perfectly Hardy all over the United States.

The Hedge illustrated above was grown from plants furnished by us, and is one of the most Beautiful Hedges in the East, where the Hemlock is exceedingly popular, on account of its most beautiful green shade all the year round, and light, feathery foliage. It stands trimming well, and is very hardy. Owing to difficulty in procuring good plants it has not been planted as extensively as it would otherwise have been. We have a good supply, and offer fine transplanted stock,

1 to 1½ Feet, at \$8.00 per 100.

in lots of not less than 50 trees, prepaid to any express office in the United States. Order as many as you want, 50, or more at 8 cents each. Order now. Shipping season continues to June 1st. There may not be another opportunity to get these trees at this or any price.

With every order we send a pamphlet of planting instructions, following which, failure is hardly possible. No discount from this special offer.
